Dear Parents:

We all must cooperate to keep our schools safe and weapon-free. Thus we are asking for your cooperation in helping us enforce our strict weapons policy.

Under no circumstance should a student bring to school a knife, penknife, weapon, gun or imitation firearm, explosives or firecrackers, or other dangerous instrument, such as mace or pepper spray. Other items unsafe for children to bring to school because they could cause injury would include, but not be limited to: laser pointers, poppers, bottle/can openers, toy guns, scissors, or any items with sharp points. In the past several years, parents have sent knives with children to peel or cut lunch fruits. Please do the cutting or peeling at home. According to California Education Code 48915 and Board Policy, if your child brings a knife or any weapon to school, your child will be immediately suspended and may be required to attend an expulsion hearing before the District's Administration Hearing Panel.

It is important that you know and understand that this policy and its penalties apply to children in all grades, kindergarten through twelfth. We are asking that parents assist the schools in keeping all children safe by not allowing them to bring to school anything that is inappropriate or unsafe.

Please discuss this subject with your child, if you have any questions, please call the Principal or Assistant Principal.

Yours truly,

Principal

I certify that I have read and understand the school's Policy on Weapons and Dangerous Objects and have gone over it with my child.

2020-21 ORAL HEALTH NOTIFICATION LETTER (to accompany Oral Health Assessment/Waiver Request Form)

Dear Parent or Guardian:

To make sure your child is ready for school, California law, *Education Code* Section 49452.8, now requires that your child have an oral health assessment (dental check-up) by May 31 in either kindergarten or first grade, whichever is his or her first year in public school. Assessments that have happened within the 12 months before your child enters school also meet this requirement. The law specifies that the assessment must be done by a licensed dentist or other licensed or registered dental health professional.

Take the attached Oral Health Assessment/Waiver Request form to the dental office, as it will be needed for your child's check-up. If you cannot take your child for this required assessment, please indicate the reason for this in Section 3 of the form. You can get more copies of the necessary form at your child's school or online from the California Department of Education's Web site at <http://www.cde.ca.gov/ls/he/hn/>. California law requires schools to maintain the privacy of students' health information. Your child's identity will not be associated with any report produced as a result of this requirement.

The following resources will help you find a dentist and complete this requirement for your child:

1. Medi-Cal/Denti-Cal's toll-free number or Web site can help you to find a dentist who takes Denti-Cal: 1-800-322-6384; <http://www.denti-cal.ca.gov>. For help enrolling your child in Medi-Cal/Denti-Cal, contact your local social service agency at: 1-866-262-9881.
2. Healthy Families' toll-free number or Web site can help you to find a dentist who takes Healthy Families insurance or to find out if your child can enroll in the program: 1-800-880-5305 or <http://www.benefitscal.com/>.
3. For additional resources that may be helpful, contact your local public health care department or [Dental](#) Health Initiative – San Diego at 619-692-8858.

Remember, your child is not healthy and ready for school if your child has poor dental health! Here is important advice to help your child stay healthy:

- Take your child to the dentist twice a year.
- Choose healthy foods for the entire family. Fresh foods are usually the healthiest foods.
- Brush teeth at least twice a day with toothpaste that contains fluoride.
- Limit candy and sweet drinks, such as punch or soda. Sweet drinks and candy contain a lot of sugar, which causes cavities and replaces important nutrients in your child's diet. Sweet drinks and candy also contribute to weight problems, which may lead to other diseases, such as diabetes. The less candy and sweet drinks, the better!

Baby teeth are very important. They are not just teeth that will fall out. Children need their teeth to eat properly, talk, smile, and feel good about themselves. Children with cavities may have difficulty eating, stop smiling, and have problems paying attention and learning at school. Tooth decay is an infection that does not heal and can be painful if left without treatment. If cavities are not treated, children can become sick enough to require emergency room treatment, and their adult teeth may be permanently damaged.

Many things influence a child's progress and success in school, including health. Children must be healthy to learn, and children with cavities are not healthy. Cavities are preventable, but they affect more children than any other chronic disease.

If you have questions about the new oral health assessment requirement, please contact the Student Services Department, 760.752.1289.

Sincerely,

Superintendent
San Marcos Unified School District
